## Summary

---

I have over 5 years of work experience, the last 2 years related to oil and gas. Currently, I have been working as a 5th grade locksmith in control and measuring devices and automation for over 2 years. I like to gain new information, knowledge and try them out. A safe and healthy work environment is important to me. In my opinion, a disciplined work environment is a key factor for a successful career

## Education

---

- Baku Oil and Energy College under ASOIU 2013-2017
